

# **Transportation Management Programs**

Bellevue Transportation Commission

March 9, 2017

A decorative graphic in the bottom right corner consisting of several overlapping, semi-transparent geometric shapes in shades of light blue, green, and orange.

# Tonight's Presentation

1. Key elements of TMP update
2. TMP Sounding Board
3. Schedule, public involvement
4. Next steps

# TMP Update: Key Elements

- A. Clarify performance expectations, revise enforcement provisions (*discussed at November meeting*)
- B. Determine how to set performance targets at Office buildings (Downtown, outside Downtown).
- C. Identify implementation activities expected at buildings.
  - Required base activities
  - Additional activities (requirements may vary by building size, use, performance level).
- Work products to be captured in City Code and *TMP Implementation Guidelines*.

# TMP Update: Key Elements

A. Clarify performance expectations, revise enforcement provisions (*discussed at November meeting*)

*Seek to involve the **TMP Sounding Board** in the following:*

- B. Determine how to set performance targets at Office buildings (Downtown, outside Downtown).
- C. Identify implementation activities expected at buildings.
  - Required base activities
  - Additional activities (requirements may vary by building size, use, performance level).
- Development of *TMP Implementation Guidelines* document.

# TMP Sounding Board

*Purpose:* Support development of performance targets, implementation framework and *Implementation Guidelines* for TMP buildings.

## Participants:

Kate Johnson, *COB Transportation Planner*

Abdy Farid, *COB Transportation Development Review Engineer*

Augusta DeVries, *TransManage (Bellevue TMA)*

Pamela Cook, *King County Metro Employer Services*

+ TMP building representatives

# Schedule, Public Involvement

## **April 13 Transportation Commission meeting**

- Proposed approach for setting TMP performance targets
- Proposed approach for TMP implementation requirements
- Review draft *TMP Implementation Guidelines* document
- Discuss process for stakeholder outreach (Online Open House)

## **May 11 Transportation Commission meeting**

- Report on stakeholder outreach
- Discuss any refinements to TMP performance targets, implementation requirements, *Implementation Guidelines* document.
- Review code revisions
- Consider minimum building size thresholds for TMP requirements

## **June 8 Transportation Commission meeting**

- Possible public hearing
- Possible Commission recommendation for City Council

# Next steps

1. Collaborate with TMP Sounding Board to develop
  - approaches to setting performance targets
  - implementation activities at TMP-affected buildings.
  - Further develop TMP Implementation Guidelines document
2. Return to Transportation Commission on April 13.
