

Construction Alert

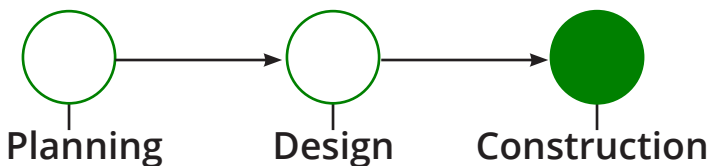

Newport Heights Traffic Safety Improvement Project

June 2019

Description and benefits

To address speeding concerns and improve pedestrian safety for elementary school students and others, the Bellevue Transportation Department plans to:

- Construct a 6-foot wide sidewalk on the west side of 119th Avenue SE from SE 56th Street to Newport Heights Elementary School (5225 119th Avenue SE) and upgrade two curb ramps to achieve federal accessibility requirements.
- Rebuild the pedestrian island at the mid-block crosswalk in front of Newport Heights Elementary School.
- Install an entry island on the north leg of the intersection at SE 56th Street/ 119th Avenue SE.
- Install speed cushions (modified speed bumps) as a pilot project at select locations on 119th Avenue SE.
- Stripe walking shoulders on SE 54th Place and 118th Avenue SE, south of the elementary school.

What to expect and when

Construction on the sidewalk and medians is anticipated to begin in mid-June and will take approximately 3 months to complete, weather permitting. Please be prepared for

traffic delays during construction. Typical work hours will be Monday through Friday, 8 a.m. to 4 p.m. Weekend work may occur.

Installation of the walking shoulders and speed cushions will occur by the end of 2019, weather permitting.

For your safety

Thank you for your patience and for doing your part to be safe near the construction zone. Drive safely and obey construction signs and flaggers directing traffic. Please pay close attention to people walking and biking in the area.

Funding

Funding comes from the Neighborhood Safety, Connectivity and Congestion Levy, the Neighborhood Sidewalks Program and Neighborhood Traffic Safety Services. Estimated construction cost of the sidewalk and medians is approximately \$540,000.
